Dear Michael Dixon,

Thank you so, so much! Your gift of \$10,000 in January 2021 in honor of the Employees of Electrical Solutions, Inc. helps further the lifesaving mission of St. Jude Children's Research Hospital for kids battling childhood cancer and other deadly diseases. I'm so grateful for your generosity and support for St. Jude kids like Cindy.

When Cindy was diagnosed with leukemia, she and her family were referred to St. Jude for her treatment and care.

And because of friends like you, her family will never receive a bill from St. Jude for anything -- not for treatment, travel, housing or food -- because we believe all a family should worry about is helping their child live.

Cindy's family is so thankful for generosity like yours that helps make St. Jude a place where hope lives. Her mom said, "I never knew that St. Jude did this much for you, or the extent of all the resources they have to help you have a normal life while you're going through the worst time of your life."

Thank you again for helping St. Jude kids like Cindy. Friends like you make all the difference in the fight against childhood cancer.

Very truly yours,

Martin Hand
